

The Chamber of Commerce

Beginning in January the two person team assigned to be on display at the *Hillsborough Chamber of Commerce* each month can send their info to Karin the month before with a pic from each of them — so she can include the information in the Mailchimp announcement she creates.

Here is the link used to send info to Karin: <https://www.cognitoforms.com/TriangleVisualArtists1/TVAIndividualArtistEventSubmission>

To put the announcement on line, those to be displayed at the Chamber of Commerce can submit their info (a theme and their names and an image) by email to: Aria222@aol.com

If you have any questions contact the captain for the Chamber: David Taylor.

Facebook

Each month David will pull the info out of the mail chimp announcement and put it into our Triangle Visual Artists Facebook page. (Trudy will pull the info out and put it on to our website.) David, who is in charge of Facebook, will also link from the TVA Facebook page to the Hillsborough/Orange County Chamber, as well as any other pages that will be a benefit to us for PR. He will also create EVENTS on our Facebook page. David's personal Facebook page might be a good role model for the rest of us, after he links to all the good necessary places.

*If you have a Facebook page you can link it to our Triangle Visual Artists Facebook page, the Hillsborough/Orange County Chamber, and to *This & That*. If you happen to find time and can manage it, regular Facebook posts about our events can help to spread the word. You can always look at our Triangle Visual Artist Facebook page and share that or copy from there. If you need help on learning about how to best use Facebook, please do ask another to help you figure it out!*

Instagram

If you have an Instagram account you can put a picture there and announce our upcoming events or your participation. When you add a comment you can then follow it with what are referred to as hashtags. Trudy spent a fair amount of time "validating" the different hashtags one can use to alert others with particular interests that your work or announcement is up there. Here is what you can copy to your Instagram comment: #trivisartists #artwork #wallart #ncarts #artsnownc #chapelhill #carrboro #durhamnc #raleigh #OCNCarts #collectorart #interiordesign #artcurator #artdealer #artcollectors #affordableart #Art #HomeDecor #Art-Gallery #artcollector #artmarket #contemporaryart #shoplocal #abstract #uniquegifts . When you use this hashtag #trivisartists it links to our Instagram account where Hollie Taylor will see it and post it on our TVA Instagram site. She is now in charge of our Instagram postings. If you need help on learning about how to best use Facebook, please do ask another to help you figure it out!
